THE 2ND COMING OF JESUS AS LORD OF THE WORLD IN C.78AD

by Jean Prieur du Plessis (www.wayism.net/jean-du-plessis)

ABOUT THE BOOK

The book deals with the thesis that Jesus did not lie when he said he would return within a particular time frame, and after certain events would occur. He did in fact return on time, and in the East, exactly where he said he would first appear. Jesus' sponsors and benefactors, the Three Wise Men, were easterners. His 2nd coming, as the glorified World Saviour, was announced in Sanskrit Scripture, accepted by the 2nd 4th World Council of Buddhist in c.75AD. He was hailed as the Son of the Father in Heaven, Saviour of all sentient beings. That Christ-like figure is deeply venerated by about two billion easterners, throughout South East Asia. The book is aimed at a general audience, therefore it is cast in the genre, historical novel, backed by academic notations on its website.

This is a good news book, that brings peace and beauty to present as past Christians, Hindus, Buddhists and Atheists. Jesus' ministry was a huge success. During the 1st century, enormous reformations took place in major religions where he worked: Buddhism (Mahayana), Hinduism (Bhagavad Gita movement) and Judaism (Christianity). The West now sees the light, of the lightning that struck in the East, it is now visible in the West (Jesus: Mt 24:27)
